## Summary

---

Innovative Full-Stack Developer and BCA student specializing in the MERN stack and Next.js. Proven track record of building responsive, scalable web applications using TypeScript and Tailwind CSS. Passionate about leveraging modern web technologies to solve complex problems and seeking a role to contribute to dynamic development projects.

## Education

---

Jaypee Institute Of Information Technology  
Bachelor of Computer Applications (BCA)

Noida  
Exp. 2026

## Technical Skills

---

**Frontend:** JavaScript, Next.js, React, Redux, TypeScript, HTML, CSS, Tailwind CSS

**Backend:** Node.js, Express.js, MongoDB, MySQL

**Languages:** Java, Python

**Tools:** Vercel

## Projects

---

**Personal Portfolio Website** – React (Vite), TypeScript, Tailwind CSS

Oct 2025

- Engineered a professional, responsive portfolio site using React (Vite), TypeScript, and Tailwind CSS for a modern user experience.
- Designed and optimized the application for high performance and responsiveness across devices, deploying it successfully on Vercel.
- Successfully utilized advanced Tailwind CSS for a sophisticated, mobile-first design system.
